Harry Young

I am seeking an AI - Machine Learning & Deep Learning position in Los Angeles, CA

Pacific Palisades, California

Experience

Care Providers Home Health, Inc.

CEO/Owner

September 1992 - September 2017 (25 years 1 month)

Los Angeles, CA

After retiring early from the Principal and Consulting actuary position, I established and managed a nurse staffing business and Home Health agency for 25 years.

Mercer, Inc.

Principal and Consulting Actuary

April 1978 - September 1992 (14 years 6 months)

Los Angeles office

Mercer is the largest human resources consulting firm. I was the lead consulting actuary for the defined benefit pension plans for such major corporations as Lockheed, Tosco Corporation, General Atomics, Mitsubishi Motors, and Union Bank.

TRANSAMERICA OCCIDENTAL LIFE INSURANCE COMPANY

Actuary and Assistant Vice President

January 1967 - April 1978 (11 years 4 months)

Los Angeles

I worked as a life insurance actuary. As a part of actuarial training, I was rotated to many divisions such as computer programming, computer systems, Group insurance, Product Design, and Pension.

Education

UCLA, University of Michigan

BA in Mathematics (UCLA), Data Science (University of Michigan), Data Science, Machine Learning, Programming, Mathematics and Statistics
